ALFRED S. WRIGHT COMPANY BROKERS

PHILADELPHIA.

Philadelphia, May 15th, 1905.

To the Investors and Stockholders:-

We offer subject to sale 100,000 Shares of the Capital stock of the Carolina Copper Company at

\$.50 PER SHARE.

This Company is capitalized for \$1,000,000. and is divided into 1.000,000 Shares of \$1.00 Par Value.

The property of the Carolina Copper Company, which contains over Five Hundred Acres of land and includes the Holloway Mine which is the most prominent mine in the district, is located about fifty miles East of Danville, Virgisia, on a spur of the Southern Railway, extending to Granville County, North Carolina.

Extensive development work has been carried on, by the expenditure of many thousands of dollars to determine the ore bodies, and the methods of treating the same. While the ore averages from Twenty to Thirty Dollars per ton Copper, also carrying a small per centage of Gold and Silver, Ninety per cent of this value can be saved by concentrating the ore. After the concentrating plant is completed, the company will then be on a paying basis and dividends forthcoming.

While the Company is only capitalized for \$1,000,000., only 800,000 Shares have been issued, including the 100,000 Shares, which we are now offering, and furthermore, we are safe in saying that after this allotment is sold, no more stock will be offered, for the simple reason that these 100,000 Shares will supply ample funds for the erection of the Concentrating plant, and when completed the stock will no longer sell at \\$.50 Per Share, but will advance to \\$1.00 per share, and when the dividends are declared, the stock will go far above Par Value.

The Board of Directors are men of high repute, of which we hereby give the list as follows:-

Mr. J. E. Stott, Harrisburg, Pa. Mr. T. F. Windle, Parkersburg, Pa. Mr. W.A.P. Thompson, Coatesville, Pa. Mr. Chas. P. Lukens, " "
Mr. F. W. Speakman, " Mr. W. W. Fry, Philadelphia, "
Mr. E. H. Doan, " Mr. G. H. B. Martin, Camden, N. J.

We have prepared a prospectus and same will be mailed to you upon application; same gives you in detail the proposition we are now. presenting to you and owing to the limited space which we have secured in this paper, we are unable to go into detail here.

Yours very truly,
